Squad,

In case people inquire about Todd's comments on MF's Chargers announcement, here you go. Obviously, if members of the media inquire, those need to be sent to me. Let me know of any questions on this or any other part of the speech.

"We're united in our desire to keep the Chargers, but the task force announced last night is the equivalent of punting," said Councilmember Todd Gloria. "It's clear from the official Chargers response that even they aren't excited about the Mayor's proposal for an advisory group. The time has come for us all to see an actual stadium plan and financing proposal, and I look forward to seeing what comes from this latest task force."
